

Marriages of Catholics visiting Las Vegas are witnessed at the

Guardian Angel Cathedral.

There is no "quickie" way for Catholics to be married in Las Vegas. Catholic marriages (as valid sacramental union) cannot be witnessed in a hotel, casino, wedding chapel or outdoor arena in Las Vegas.

Roman Catholics wishing to marry validly should be suspect of any so-called (roman) catholic priest offering such accommodations.

HOW TO SCHEDULE A WEDDING AT GUARDIAN ANGEL CATHEDRAL FOR THOSE LIVING OUTSIDE OF LAS VEGAS

Decide on a date/time for the ceremony before you call. It is good to have an alternate date(s). We celebrate weddings only on Friday at 4:00pm, Saturday at 12 Noon or 7:00pm. Call **702-735-5241** weekdays between 9:00am to 11:30am to set the date.

Please make sure you secure the date and time for the church ceremony before seeking the venue for your reception.

When the church ceremony has been tentatively confirmed, you will be sent an information packet that will answer all your questions about marriage preparation and the paper work required.

There is a deposit (\$250.00) needed to reserve the date and time of your wedding. This deposit, along with a signed confirmation paper from your parish priest, must reach us within one month after the tentative date is agreed upon. This will hold your requested date and time until the formal papers are received.

The formal marriage preparation will take place in your local parish. The formal papers (when completed) will be sent by your local priest through your local diocese who will forward the formal papers to the Diocese of Las Vegas.

The formal papers and the final wedding fee of Six Hundred Dollars (\$600.00) must be received at least two months before the date of the wedding. Once these two items are received we can guarantee the date and time of the wedding.

The offering for a wedding (\$250.00 deposit plus \$600.00 offering fee – totals \$850.00) includes the services of the priest, the organist, a soloist, rehearsal, set up for the ceremony, consult with music director and maintenance of the church.

NOTE

Residents of Las Vegas are Required to be Married in Their Local Parish.
